FATHER MARRIES SON'S EX-WIFE. A dispatch from Milwaukee, Wis., says: "The application of W. E. A. QUININE ON THE DECLINE,-The price of quinine, which began to rise about the first of the year, and which about a month ago was very firm at forty cents an ounce, is now on the de-cline, and is now selling at thirty-five cens an ounce. Indications point to a still turther decline, and it is thought he drug will sell around thirty cents an ounce in a week or two. The decline is due to the fact that the causes which brought about the big jump are at least partially removed. The prospect of a speedy end of the war in South Africa, and the fact that influenza nus about spent its force in Berlin, Germany, place the quinine market in more normal condition.

GIRL SIAMESE TWINS .- Mrs. Isaac Rosenzweig, of Cleveland, O., has given birth to girl twins, joined together like the famous Siamese twins. The infants died soon after birth. The bodies are joined from the seventh rib to a point just below the hips. The left side of one of the children is joined to the right side of the other, the seventh rib of each being grown together. The stomachs f each are separate.

"ANNIE LAURIE'S" COMPOSER DEAD. A dispatch from London says: A quaint, venerable lady, who might to all appearances have just stepped out of a Goldsmith comedy or a Gainsborough picture, died last week in the person of Lady John Scott Spottswoode the composer of "Annie Laurie" and other familiar melodies.
